

# FRIENDS – FOR THE GOOD OF YOUR LIBRARY

The Friends of the Andover Public Library help promote the library by developing activities, presenting special programs, encouraging reading and the use of the library by our community's children and adults.

It's easy to become a Friend by choosing the membership level you prefer. Do you like to write, organize, or have great ideas for fund raisers? As a Friend, there are many opportunities to show your creativity and ability. Check your area of interest on the registration form. And don't forget to attend the Friends' regular monthly meetings, the second Wednesday of each month at 4:00 P.M. All suggestions to make the Friends more involved in the library and community are always welcome!
